

[2-4 players or teams]

Clear the living room floor.

Shuffle the Cards.

Place the cards in a large stocking or santa hat.

Each player removes 7 cards from the stocking.

Players place these cards in their own stocking, basket, box, or tin.

The first player spells a word horizontally or vertically on the living room floor.

Each successive player plays a word that hooks onto an existing word.

Players add the points on the tiles they've played to accumulate a score.

Players who play all 7 tiles [a bingo] receive 125 points on top of their score.

2-4 letter Christmas or holiday-themed words receive a double word score.

5+ letter Christmas or Holiday themed words receive a triple word score.

Christmas or Holiday bingos receive a triple word score and 125 points.

Christmas or Holiday proper names [St. Nick, Rudolph, Mary] are acceptable.

Play ends when all tiles have been played.

Everybody wins, but the person or team with the most points gets a Christmas cookie or a kiss under the mistletoe.
